STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING

For 2020-21, the City's programs and activities are not substantially changing. Further improvements in the water facilities are to be funded by loans while grants will fund certain park improvements and street improvements. Improvements at OIP and Waste Water will be primarily from City funds. Major revenue sources are expected to be stable with modest increases or decreases. Short term loans from the proprietary funds and OIP will be used to cover those funds where current expenditures exceed resources. The City Staff plans to propose a ballot measure for a Special Levy to support Public Health & Safety in FY 21.
