 - Duties of the position are outside the employee's normal work duties,
 - No work time is used to perform the volunteer duties,
 - The volunteer duties are performed solely at the option of the employee and there is no expectation, direct or implied, that the employee performs volunteer service, and
 - The employee signs a waiver indicating that the decision to volunteer is entirely his/her own and no payment for the work will be rendered.

Policies and Procedures to Become a Volunteer

Registration/Application

Potential volunteers must contact the City Administrator prior to performing a volunteer project or job. The City Administrator oversees the Volunteer Program and will assist potential volunteers in determining the job specifics that best meet the needs of the City of Oakridge and the volunteer.

All volunteers must complete and sign the Volunteer Registration Form and waiver form, and return the completed forms for approval prior to start of work. Emergency contact information will be obtained from the Volunteer Registration Form in the event of an emergency.

Screening Process

Interviews may be conducted for certain positions prior to selection. Background, experience, and skills are carefully reviewed to match volunteers to appropriate assignments. Certain volunteer positions may require an additional Authorization to Release information to be completed for a background check.

Approval

Volunteers will receive approval of acceptance in the City of Oakridge Volunteer Program prior to starting work.

Job Description and Physical Requirements

A job description for each volunteer position or project will be provided detailing the duties, scope, and physical requirements of the work. Volunteers should carefully review the requirements and check with their personal physician if there any questions about their physical ability to perform the duties. Some positions may require medical release prior to volunteer work.

Vehicle Policy

Volunteers may be cleared to drive as part of their volunteer work. The volunteer must complete and submit an approved driving history release form (in some departments the DMV Motor Vehicle check is performed as part of the criminal history check) prior to driving for City of Oakridge. A valid driver's license and an acceptable driving record are required before a volunteer will be permitted to drive while performing duties as a volunteer on behalf of the City of Oakridge.

Volunteers operating public vehicles must have an acceptable driving record that meets City of Oakridge's requirements for acceptable driving (or as outlined in the City of Oakridge's Fleet Policy). Accidents must be reported immediately to the Chief of Police and an incident report and accident investigation form should be completed as soon as possible.

Volunteers who drive personal vehicles are required to provide proof of insurance that meets statutory requirements* or City of Oakridge's fleet policy, whichever is higher.

- The owner of the personal vehicle's auto liability insurance is the primary payer. City of Oakridge's insurance is secondary to private coverage.
- Proof of current coverage must be provided each renewal by a copy of the vehicle owner's policy declaration page or certificate of insurance.

*Oregon statutory requirements (ORS 806.010): \$25,000 per person; \$50,000 per crash for bodily injury to others; and \$20,000 per crash for damage to others property.

Orientation

After approval and prior to the onset of volunteer work, the volunteer receives a departmental and job-specific review of procedures, duties, and scope of volunteer activities from supervisor. Any required personal protective equipment will be reviewed and provided. Safe work rules and rules of conduct are reviewed along with the volunteer policy and Fleet Policy, if applicable. All personnel and safety rules apply to volunteer workers. Failure to comply with safety and personnel rules can terminate the volunteer relationship.

Safety Requirements

No volunteer will be required to perform work that he or she believes to be unsafe or likely to cause injury or health risk to themselves or others. Volunteers are encouraged to report unsafe conditions or hazards and must report incidents/accidents immediately to supervisor. Training, if required, will be provided for operation of specific equipment, machinery, or tools. Additionally, OR-OSHA training may be required to perform some volunteer duties.

Volunteers are required to follow all safety and security procedures while performing volunteer duties, on or off City of Oakridge's premises. Volunteers are required to wear appropriate protective equipment, clothing, and footwear at all times.

Emergency Procedures

Emergency procedures for each volunteer worksite will be documented and provided to supervisors and to volunteer staff at time of orientation. Procedures will include:

- Emergency contact numbers for Fire/Police/Ambulance (especially if 911 service is not available in the area),
- A map showing the location and routes to emergency exits,
- The location of first aid supplies and equipment, and
- Actions to take in the event of a medical emergency or accident.

Incident and Accident Reporting

Injuries and accidents must be reported immediately to a supervisor and an incident and accident investigation form completed, if applicable. If appropriate, secure the scene for investigation and documentation of the incident.

Insurance Coverage

Normally, volunteers are considered “agents” and are covered by the City of Oakridge’s general liability insurance while they are acting within the scope of their duties. Insurance coverage is not provided for personal property, equipment, or vehicles owned by volunteer workers.

For work related injuries, the City of Oakridge provides workers compensation insurance – statutory requirement to maintain volunteer rosters,

Record Keeping

Volunteer workers must track and submit hours on a weekly basis to their supervisor using the approved form provided by the City of Oakridge. This is an Oregon statutory requirement. A record of volunteer hours is used to demonstrate when a volunteer is on the job for accident claims, and can be used to verify work experience for job references. It is required to compile the City of Oakridge’s annual workers’ compensation premium audit.

Performance Management

Evaluation and feedback of the performance of volunteer duties should be provided regularly, including recognition for volunteer service. Supervisors should monitor and take disciplinary action including and up to termination of volunteer relationship when policy or work practices are unacceptable.
