

WE NEED YOUR HELP TO UPDATE LANE COUNTY'S NATURAL HAZARD MITIGATION PLAN

Lane County is a beautiful place, but we are also at high risk for natural disasters, including flooding, wildfire, severe winter storms, and major earthquakes.

Lane County's Natural Hazard Mitigation Plan is updated every five years. Mitigation means taking action now to reduce our long-term risk from natural hazards. It is our local blueprint to help protect people and property.

**Tell us what you think
the updated plan should focus on:**

WWW.LANECOUNTYOR.GOV/MITIGATION

or request a paper survey by calling 541-682-6967

or emailing PublicInformation@LaneCountyOR.gov

Lane County Emergency Management
3050 N. Delta Highway
Eugene, OR 97408

**TAKE OUR SHORT SURVEY TO HELP
PRIORITIZE WHERE AND HOW LANE
COUNTY WORKS TO REDUCE THE
RISK OF NATURAL DISASTERS**
