HOW LONG HAVE YOU LIVED IN OAKRIDGE?

34 years.

WHY DID YOU DECIDE ON OAKRIDGE?

We loved the small town feel, the friendliness and the amazing beauty!

WHAT DO YOU SEE FOR THE FUTURE OF OAKRIDGE?

Nothing but potential for growth by making ourselves look better, by continuing the process that has been begun of turning this from an old logging town to a vibrant place where people want to come and play, raise their families and create small business. Continuing to promote Oakridge as a recreational paradise with all the mountain biking trails, the rivers and lakes, the skiing and camping anyone would ever need.
