1. Contract Period. This Contract shall become effective on the date this Contract has been fully executed by each party. Unless extended or terminated earlier in accordance with its terms, this Contract shall terminate when the City accepts Contractor's completed performance or on _____, whichever date occurs last. Contract termination does not extinguish or prejudice City's right to enforce this Contract with respect to any default by Contractor that has not been cured.

2. Statement of Work. Contractor shall perform the work (the “Work”) as set forth in the RFP and Contractor's Proposal, attached as Exhibits B and C. Contractor shall perform the Work in accordance with the terms and conditions of this Contract. To the extent that the terms and conditions of this Contract and any attachments conflict, the terms and conditions of this Contract shall control.

3. Consideration

a. The maximum, not-to-exceed compensation payable to Contractor under this Contract, which includes any allowable expenses, is _____. City will not pay Contractor any amount in excess of the not-to-exceed compensation of this Contract for completing the Work, and will not pay for Work performed before the date this Contract becomes effective or after the termination of this Contract. If the maximum compensation is increased by amendment of this Contract, the amendment must be fully effective before Contractor performs Work subject to the amendment.

- b. Interim payments to Contractor will be made in accordance with the payment schedule and requirements in Exhibits B and C.
- c. City will pay only for completed Work that is accepted by City.
- d. Contractor shall submit monthly invoices to the City for Work performed. The invoices shall describe all Work performed with particularity and by whom it was performed and shall itemize and explain all expenses that this Contract requires City to pay and for which Contractor claims reimbursement. Each invoice also shall include the total amount invoiced to date by Contractor prior to the current invoice. Contractor will specifically note in the appropriate invoice when it has requested payment for one-third and two-thirds of the maximum, not-to-exceed compensation. Contractor shall send invoices to the City's Director of Personnel and Finance.

4. Contract Documents. This Contract consists of the following documents, which are listed in descending order of precedence: this Contract less all exhibits, attached Exhibit A (Required Insurance), Exhibit B (the RFP, or other procurement document, if any) and Exhibit C (the Proposal, or other binding Contractor solicitation submission, if any). Exhibits A-C are attached to this Contract and incorporated by this reference.

5. Independent Contractor; Responsibility for Taxes and Withholding

- a. Contractor shall perform all Work as an independent contractor. The City reserves the right (i) to determine and modify the delivery schedule for the Work and (ii) to evaluate the quality of the Work Product, however, the City may not and will not control the means or manner of Contractor's performance. Contractor is responsible for determining the appropriate means and manner of performing the Work.
- b. Contractor understands and agrees that it is not an "officer", "employee", or "agent" of the City, as those terms are used in ORS 30.265.

Contractor is responsible for all federal or state taxes applicable to compensation or payments paid to Contractor under this Contract and, unless Contractor is subject to backup withholding, City will not withhold from such compensation or payments any amount(s) to cover Contractor's federal or state tax obligations. 6. Subcontracts, Successors, and Assignments

- a. Contractor shall not enter into any subcontracts for any of the Work required by this Contract without City's prior written consent. In addition to any other provisions City may require, Contractor shall include in any permitted subcontract under this Contract provisions to ensure that City will receive the benefit of subcontractor performance as if the subcontractor were the Contractor under this Contract. City's consent to any subcontract does not relieve Contractor of any of its duties or obligations under this Contract.
- b. This Contract is binding upon and inures to the benefit of the parties, their respective successors, and permitted assigns, if any.
- c. Contractor shall not assign, delegate or transfer any of its rights or obligations under this Contract without City's prior written consent.

Nothing in this Contract gives, is intended to give, or may be construed to give or provide any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, to third persons unless the third persons are individually identified by name in this Contract and expressly described as intended beneficiaries of the terms of this Contract.

17. Force Majeure. Neither City nor Contractor shall be held responsible for delay or default caused by fire, riot, acts of God, terrorist acts, or other acts of political sabotage, or war where such cause was beyond the reasonable control of City or Contractor, respectively. Contractor shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Contract.

18. Time is of the Essence. Contractor agrees that time is of the essence under this Contract.

19. Notice. Except as otherwise expressly provided in this Contract, any communications between the parties or notices to be given under this Contract shall be given in writing, personal delivery, facsimile, or mailing the same, postage prepaid, to Contractor or City at the address, number or email address set forth in this Contract, or to any other addresses or numbers as either party may indicate pursuant to this Section 19. Any communication or notice so addressed and mailed shall be effective five (5) days after mailing. Any communication or notice delivered by facsimile shall be effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours, or on the next business day, if transmission was outside normal business hours of the recipient. To be effective against City, any notice transmitted by facsimile must be confirmed by telephone notice to City's Director of Personnel and Finance. Any communication or notice given by personal delivery shall be effective when actually delivered.

20. Severability. The parties agree that if any term or provision of this Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.

21. Counterparts. This Contract may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of the Contract so executed shall constitute an original.

22. Governing Law; Venue; Consent to Jurisdiction. This Contract shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between City and Contractor that arises from or relates to this Contract shall be brought and conducted solely and exclusively within the Circuit Court of Oakridge County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. CONTRACTOR, BY EXECUTION OF THIS CONTRACT, HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF SAID COURTS.

23. Merger Clause; Waiver. This Contract and attached exhibits constitute the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Contract. No waiver, consent, modification or change of terms of this Contract shall bind all parties unless in writing and signed by both parties and all necessary State approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of City to enforce any provision of this Contract shall not constitute a waiver by City of that or any other provision.

24. Amendments. No amendment to this Contract is effective unless it is in writing signed by the parties, and all approvals required by applicable law have been obtained before becoming effective.

CONTRACTOR, BY EXECUTION OF THIS CONTRACT, HEREBY ACKNOWLEDGES THAT CONTRACTOR HAS READ THIS CONTRACT, UNDERSTANDS IT, AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS.

EXHIBIT A
INSURANCE REQUIREMENTS

Contractor shall, at its own expense, at all times during the term of this contract, maintain in force:

1. A comprehensive general liability policy including coverage for contractual liability for obligations assumed under this contract, blanket contractual liability, products and completed operations and owner's and contractor's protective insurance;
2. A professional errors and omissions liability policy; and
3. A comprehensive automobile liability policy including owned and non-owned automobiles.

The coverage under each liability insurance policy shall be equal to or greater than the limits for claims made under the Oregon Tort Claims Act with minimum coverage of \$500,000 per occurrence (combined single limit for bodily injury and property damage claims) or \$500,000 per occurrence for bodily injury and \$100,000 per occurrence for property damage. Provided, however, that coverage for professional errors and omissions liability may be for a minimum coverage of \$100,000. The coverage limits are subject to change in accordance with any changes in limits under the Oregon Tort Claims Act, or to the extent the City deems necessary to cover the City's liability in the absence of the Oregon Tort Claims Act.

Liability coverage shall be provided on an "occurrence" basis. "Claims made" coverage will not be acceptable, except for the coverage required by (2) above. The City shall be named as an additional insured.

Certificates of insurance acceptable to the City shall be filed with City prior to the commencement of any work by Contractor. Each certificate shall state that coverage afforded under the policy cannot be cancelled or reduced in coverage until at least 30 days prior written notice has been given to City. A certificate which states merely that the issuing company "will endeavor to mail" written notice is unacceptable.
