

HOUSING

How important are each of following topics to you?

Place a dot along the line in the spot that best reflects your view.

Increasing housing options by removing code barriers to building middle housing types (e.g., duplexes, triplexes, townhomes, cottage clusters).

Not as Important to Me Neutral Very Important to Me

Townhouses

Allowing multiple-dwelling development anywhere residential uses are allowed.

Not as Important to Me Neutral Very Important to Me

Triplex

Creating more opportunities for senior housing, low-income housing, and transitional housing for currently houseless community members.

Not as Important to Me Neutral Very Important to Me

Cottage Cluster

Creating a High Density Residential (R-3) zone to encourage more development of apartment housing.

Not as Important to Me Neutral Very Important to Me

Allowing multiple-dwelling development in existing commercial areas (Uptown and along Highway 58).

Not as Important to Me Neutral Very Important to Me

Preserving land in the Medium Density Residential (R-2), Central Commercial (C-2), and Highway Commercial (C-3) zones for commercial uses and smaller, more affordable housing types by prohibiting new single dwelling housing development in these zones.

Not as Important to Me Neutral Very Important to Me

Reducing off-street parking requirements in residential zones to one space per dwelling to help decrease the cost of developing housing.
