## SHORT TERM RENTALS

## How important are each of following topics to you?

Place a dot along the line in the spot that best reflects your view.

Adding a definition for "short term rentals" to the Oakridge Zoning Ordinance so that they may be more specifically addressed in the code.

## WHAT ARE SHORT TERM RENTALS (STRs)?

Temporary lodging options, typically rented for less than 30 days, and subject to the county's Transient Lodging Tax. STR units are usually listed on websites like Airbnb or VRBO which collect the applicable taxes and help facilitate the rental process.

Are there any other issues or special requirements related to short term rentals that this project should consider? Use a sticky note to share your thoughts below.
