

## Planning Commissioner Candidate Questions:

- 1) What do you see as the future of Oakridge?

---

---

---

- 2) How do you think the City Council views the future of the city, and are your views compatible with those of the Council?

---

---

---

- 3) As a Planning Commissioner, how might you advance the goals of the City Council?

---

---

---

- 4) Since the City is preparing for large projects, such as the Highway 58 Refinement Plan, dedication of time and effort is required. Discuss your availability for these types of projects.

---

---

---

- 5) As a general rule, when do you feel variances and conditional uses should be granted?

---

---

---

- 6) How do you feel the City staff should assist the Planning Commission in their efforts, and how important is the staff report?

---

---

---
